Dear Mr. Walker:

The Friends of Los Gatos Public Library would like to thank you for your time and the use of your camera during construction of the new library in Los Gatos.

This camera will provide viewers with a great photo documentary of the construction of their new library. This construction has been 20 years in the planning, so you can imagine how excited people will be to see the construction progress provided by your generous donation.

The Friends thank you for your generous gift, as it will allow long-time supporters the opportunity to see vision become reality.
