Dear Mr. Walker:

Larry
On behalf of the Community for the Advancement of K-8 Los Gatos Schools, thank you for your generous contribution of \$1,000 to the Community for the Advancement of K-8 Los Gatos Schools – Yes on Measure E campaign. Your contribution is critical to helping us communicate to voters about the need to build additional classrooms and prevent overcrowding in our local Los Gatos schools. We could not embark on our campaign without your help.

We appreciate your generous support of our Los Gatos elementary and middle schools.

Sincerely,

Kerry Lindholm
