Dear Larry,

We would like to personally thank each and every one of our business partner donors. Your investment in the children of Los Gatos has ensured that they have hands-on science, art, music and technology programs.

Our elementary schools -- Blossom Hill, Louise Van Meter, Daves Avenue, Lexington -- and our middle school -- R.J. Fisher -- earned top academic rankings of "10" for schools in California.

Whether you are an alumnus, parent, or community partner, you will notice, upon visiting our school sites and talking to the students, faculty and staff, that Los Gatos Union School District remains as unique as the Town of Los Gatos -- one of Santa Clara County's oldest communities.

Your support is an honor bestowed upon the Los Gatos Union School District and we want to thank you for your investment in us.

Warm regards,

Daniel B. Snyder  
LGEF Board President
