LGEF partners with our schools to fund key programs that includes game-changers and core academics that cannot be funded by ever-shrinking state dollars. Without your support, our school district could not provide the quality of education and the breadth of programs that our children need to become future leaders and enjoy a happy and prosperous life.

Ensuring high performing schools in Los Gatos requires teamwork and we thank you for being part of the team. **Together we are improving education for your children and others.**
