

Dear Kim, Larry & The Alarm Company Crew -

Thank you for your generous sponsorship of our Auction this year. Your long-term continuous support means the world to us and makes the LG Difference a reality for the more than 2100 students at Los Gatos High School. Our event financials are still coming into focus, but are on track to meet our \$250,000 goal, which is a record, and we simply could not have done it without you. Sincerely, Carol Finsley  
LGHS NMF Director of Fundraising
