Dear Larry and Kim,

Thank you very much for your donation to YSI in the amount of \$1500.00, restricted to Summer Science Camp sponsor. This donation is greatly appreciated, as it will help YSI fulfill our mission of inspiring an enthusiasm for science and a love of learning in our community's youth.

Each year, YSI brings inquiry-based life, physical, earth, and social science to nearly 30,000 pre-K to sixth-grade students in Santa Clara County. For many children, this is their first exposure to hands-on science and experiential environmental education. On many occasions I have personally witnessed the excitement of wonder and pure joy of learning on a child's face.

Without supplemental science education from out-of-school providers like YSI, many Santa Clara County students would not receive a complete grade-level science curriculum. It is our overarching mission to provide this learning experience for as many children in the region as possible and I'm so grateful you've joined us in this effort.

On behalf of the children that will benefit from your kindness, I extend my most heartfelt thanks.

Sincerely,

Diane M. Riccio, Ph.D.
