Dear PJ,

On behalf of the Board of Directors, the staff, and the children and families we serve, thank you for your generous donation to the Youth Science Institute (YSI). Your thoughtful gift of \$200.00 means the world to us. Your generosity helps us to improve and grow our programs and confirm our future.

As you may know, YSI brings science education to life for more than 35,000 Santa Clara County children annually. Students learn scientific concepts through exciting hands-on lessons that correlate to the science content standards for CA public schools. In addition to our School and Group Programs, we offer Summer Science Camps, family Science Safaris, and signature events like our spring Insect Fair and fall Wildlife Festival. To learn more, please visit our website at www.youthscience.org.

YSI's role as a community resource is vital, and your gift enables all of the activities that are at the heart of our mission. Thank you for recognizing the value of our organization and the programs we deliver. We are truly grateful for your support!

Sincerely,

Diane M. Riccio
