Dear Larry & Kim,

Thank you so much for your August 28, 2015 gift of \$1,250.00 to YSI. Your commitment to inspiring enthusiasm for science and a love of learning in our community's youth is truly appreciated.

Your generous donation will support YSI's operations, thus helping us bring inquiry-based life, physical, earth, and social science to more than 30,000 pre-K to sixth-grade students this year. For many children, this is their first exposure to hands-on science and experiential environmental education. On many occasions I have personally witnessed the excitement of wonder and pure joy of learning on a child's face.

Without supplemental science education from out-of-school providers like YSI, many Santa Clara County students would not receive a complete grade-level science curriculum. It is our overarching mission to provide this learning experience for as many children in the region as possible and I'm so grateful you've joined us in this effort.

On behalf of the children that will benefit from your kindness, I thank you again.

Sincerely,

*Diane M. Riccio*
