256 El Cajon Way

Los Gatos, CA 95032-7660

Dear Larry & Kim,

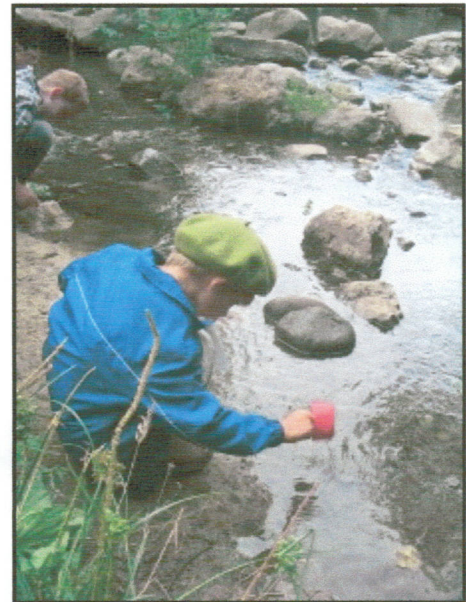

Thank you for your generosity to the Youth Science Institute (YSI). We count you among our most committed friends and ambassadors. I am writing to ask you to continue your generous leadership support with a gift to our Annual Campaign.

Your gift to our Annual Campaign offers children opportunities to build things, conduct experiments, play games, hike, make creations from natural and recycled materials, share stories, and examine wildlife. Children work and play in small groups, learning cooperation and teamwork. YSI programs use hands-on, inquiry-based science and nature activities to keep kids engaged and active all year long.

Without your assistance, we simply could not do our work. By continuing to be a part of our community of supporters, you will enable the next generation of children to discover, think, and learn about the science and nature that surrounds them. Please send the most generous gift you can today. Thank you!

Warmly,

Diane M. Riccio, Ph.D.
Interim Executive Director
