Dear Kim and Larry,

On behalf of the Board of Directors, the staff, and the children and families we serve, thank you so much for buying 5 tickets to YSI's Night of Food & Science Fundraiser on May 10th, 2014.

Proceeds from the fundraiser will be used to deliver our hands-on science and nature education programs to pre-K through eighth-grade students. As you may know, YSI science programs are inquiry-based and student centered: group work is encouraged so students learn to collaborate and communicate with one another. Our programs enrich the traditional curriculum by providing authentic engagement. The hands-on nature of our programs helps children see that science is fun and exciting, and has real world applications. When children see the relevance of science, learning becomes more meaningful and memorable.

To learn more, please visit our website at www.youthscience.org.

Once again, thank you for supporting YSI!

Sincerely,

Diane M. Riccio
